MEDICAL.

AMERICAN PEOPLE. MEDICAL INFIRMARY

JUST PUBLISHED BY DR. STONE, Physician to the Troy Lung and Hygienic Institute, A Treatise on the Canses of Early Physical Decline of American People; the Cause of Nervous Dehility, Consumption, and Marasmus. \$17 Young Men! fail not to send and get this book. BF LADIES you, too, should at once secure a copy of this book.

A Word of 80 lemn Conscientions Advice to those who will Reflect.

A class of maladies prevail to a fearful extent in community dooming at least 100,000 youth of both sexes annually to an early grave. Those diseases are very imperfectly understood. Their external manifestations or

Adbus, &: likewise Epilepey, Hysteria, and Nervous Spasus.

Now, in ninety-nine cases out of every one hundred all the above-named disorders, and a host of others not named, as Consumption of the Linux, and the most institutus and willy form of Consumption of the Spinal Nerves, known as Tabes Dorsales, and Tabes mis-niverica, have their seal and origin in diseases of Febriel Times.

The characteristic principles, with new discovered entered by the Institution is new; it is hased upon scientific principles, with new discovered enedies, without minerals or poisons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate description of their case, by letter, and have the medicines will be forward do application.

The consequence of the Throat cured as well at the homes of patients as at the Institution by sending the Cold Medicated Inhaling Balsamic land direct correspondence.

Patients applying for interrogatories or advice and direct corresp indexice.

BB Patients applying for interrogatories or advice must enclose return stamps to meet attention.

BB The attending physician will be found at the Ine itution for consultation, from 9 A. M. to 9 P. M. of each day. Sundays in the forenoon.

Address DR. ANDREW STONE, Physician to the Troy Lnng and Hygicinic Institution and Physician for diseases of the Heart, Throat, and Lungs, 96 Fifth etreet, Troy, N. Y.

TO FEMALES. MRS. DOCTRESS STONE,

THE MATRON OF THE INSTITUTION,
Who is throughly read and poeted in the pathology of
the many afflictive and proctratius maisdies of more
modern origin, will devote exclusive attention to this
class of diseases peculiar to her sex.

WILL FIND IT TO THEIR ADVANTAGE

Bonnet of manye royal velver; the solt crown formed with a rich blonde. On the left side, a bunch of mauve feathers, at don the right a shell of blonde, in the middle of which is a small rosette of feathers. A bandeau of mauve flowers across the forehead. This bonnet is extremely elegant, as is also the following, made of pink terry velves a six also the following, made of pink terry velves the north side of a close board fence ten feet high, and running due east and west. On the mixed with blonde, either white or black, or both mixed with a bunch of curled feathers at the side. high, and running due east and west. On the south side of the fence, we planted a like num-Opposite Mozart Hail. In the inside two small feathers form a diadem, ber of hills of the same corn. As from April Now Books! Now Books!

The evening coffures are exceedingly beautiful this season. The newest, and cortainly not the least becoming, style is formed with three very small wreaths earried across the head—the front one forming a small diadem on the forehead, which is generally a dark shade of color; the second, a straight wreath, is of a lighter shade of the color; the second, a straight wreath, is of a lighter shade of the color; the second, a straight wreath, is of a lighter shade of the color; the second, a straight wreath, is of a lighter shade of the color; the second, a straight wreath, is of a lighter shade of the color; the second, a straight wreath, is of a lighter shade of the color; the second, a straight wreath, is of a lighter shade of the color; the second, a straight wreath, is of a lighter shade of the color; the second, a straight wreath is general favorite. The same style of head-dress may be seen on one of the color. This head-dress may be seen on one of the plates for this month, and will, we heliava, become a general favorite. The same style of head-dress may be formed with gold cord, or roleans of vertex and gold.

Amongst the elegant coffures are exceedingly beantiful this season. The newest, and cortainly not the least becoming, style is formed with three very small wreaths earried across the head—the front one forming a small diadem on the forehead, which is generally a dark shade of color; the second a straight wreath is general favorite. The same style of the rootlets everywhere about us radiating from the corn stalks, from one to three meets all to the stalks gave us in almost every instance three; one on each stalk being invariably larger thun any three we could lind over the feace.

One day while hoeing in our garden corn lield of a quarter of an acre, we sat down a half hour, and studied diligently the character of the rootlets everywhere about us radiating from the corn stalks, from one to three meets and unsured ten days later, vielding one very modest ear per stalk, while the south stalks gave us in al JAVA COFFEE so mate the old lava Cother received

THE TRUE AND GENUINE ENTRESD ACCORDING TO ACT OF CONTRESS, BAKER & COO) MEDICINAL TRANSPARENT COD LIVER OIL.

Gen OPRICE OF THE DISTRICT COURT OF THE Its use, if fairly tried, will soon restore the tone of the igestive orans, invigorate the blood, give general rondity to the figure, and add energy to the united and ryons system. Its value has been remarkably evinced by its wonderful restorative powers, when orany tonics list been valuely exhausted. It affords urishment to the body when no other can be horned dirinishes the frame with fat in a truly remarkable inner.

For CONSUMPTION and BRONCTITIS,
For SCROFULA in all its dev lapments,
For WEAKNESS, WASTING, and every form of
DEBILITY, its circular properties are unrivalled. it may be taken without distribed by the most deli-te patient, and retained without effort in the most smallive clomach. Its superiority in this and other im-

dryalide should be extern to purchase off of modular deputation if they desire the most active and immediate advantages of the remedy. That which we present bas decided evidences of superiority over other rands. Manufactured only by JOHN C. BAKER & CO., Importers and Dealers in Drugs, Chemicals, &c., o25 d5m 154 N. 3d et .
